THE AFFORDABLE WAY TO SUPPLEMENT MEDICARE

Medicare, the government-sponsored program, helps seniors pay health care costs. But Medicare was never designed to cover every facet of a retiree's health care...and there are many services that Medicare doesn't cover—expenses that you have to pay for yourself.

There's a way to offset these out-of-pocket costs: Marquette National Life Insurance Company's (Marquette National) Medicare SELECT. Many retirees have made Medicare SELECT a key part of their financial plan, to help provide for expenses not covered in their Original Medicare coverage, such as coinsurance and deductibles for hospital stays (Part A) and physician visits (Part B).

With Marquette National's Medicare SELECT, your premiums are typically less than other Medicare Supplement policies. And you receive full hospital benefits as long as you use one of our network hospitals.
